DB-1 Planning Form - Opponents Database

Organizing opponent information

THE DREAM TEAM

Instructions

Complete this form to help organize your opponents' information. Use the team names from your completed **SS-1 Season Schedule.** Include all teams, regardless of whether you play them at home or away. You must have a minimum of 10 teams for this database. Refer to your completed **SS-2 Travel Expenses** and the Internet to find the three-letter airport code for the closest airport to the opponent's stadium.
